

Ocrim participates in inauguration of Saudi feed mill

CREMONA, ITALY — Alberto Antolini, managing director of Ocrim S.p.A., participated in the opening ceremony of the Khamis Mushayt feed mill in Saudi Arabia on June 17.

Ocrim equipped the 800-tph feed mill with sophisticated, fully automated equipment. Also participating in the ceremony were the Minister of Agriculture of Saudi Arabia, the Prince of the Asir region and the general manager of Grain Silos & Flour Mills Organization (GSFMO).

“The fulfillment of Khamis feed mill is another milestone that strengthens the good relationship based on respect and trust between Ocrim S.p.A. and GSFMO,” Ocrim said.
